## Note for Scenario 1:

## What is an unreduced pension?

Your retirement pension is calculated without a reduction or penalty.

To qualify for an **unreduced pension** under the Ontario Teachers' Pension Plan (OTPP), you must have the "85 factor" (age + qualifying service = 85).

To qualify for a **60% unreduced pension**, you must have 30 years of <u>credited</u> service **and** meet the above "unreduced pension" criteria.

### Note for Scenario 2:

IMPORTANT information to consider BEFORE terminating your LTD coverage due to your upcoming retirement. If you maintain your LTD coverage:

- You are still eligible for coverage under the OECTA Provincial LTD Plan up to the date of your retirement.
   You are not required to cancel your coverage simply because you have notified your board of your intention to retire.
- If you became disabled prior to your date of retirement, you are eligible to submit an LTD claim. If approved, LTD benefits would be payable until either you recover, you become eligible for a 60% unreduced service pension, **or** you reach the end of the month you attain age 65 (as long as you are not receiving OTPP pension benefits).

If you terminate your LTD in Scenario 2 and become disabled before retirement, you WILL NOT be eligible for LTD.

## **Termination of LTD Contributions:**

#### Scenario 1 and Scenario 3:

 If your termination effective date is retroactive, your overpaid LTD contribution deductions will be refunded; limited to the current school year and one school year prior.

### Scenario 2:

- If your application is received **by** the 15th of the month, coverage will be terminated effective on the 1<sup>st</sup> day of the following month.
- If your application is received **after** the 15th of the month, coverage will be terminated effective the 1st day of the second following month.
- Please note: Termination from the LTD plan will not be made retroactively.

## How to complete the Application for Long Term Disability (LTD) Coverage Termination

If you meet **one** of the above scenarios, you can apply to terminate your LTD coverage and discontinue your LTD contribution deductions. Please complete and submit an Application for Long Term Disability Coverage Termination form including the supporting documentation required in order to process your request.
